

NOTICE

HEALTH REQUIREMENT TO ENTER SPAIN

To enter Spain you must provide a Vaccination Certificate: issued by the competent authorities. Travel can take place 14 days after the date the final dose of the full vaccination course was administered.

The vaccination certificate must include at least the following information:

1. Full name of the holder
2. Date of vaccination, indicating the date of the final dose administered
3. Type of vaccine administered
4. Number of doses administered/complete course
5. Issuing country
6. Identification of the organization issuing the vaccination certificate

Children under 12 years old travelling with parents do not need vaccination

Children more than 12 year cannot travel with their parents unless they provide vaccination certificate.

Please, do not forget fill the Spain Travel Health form 48 hs before your flight:
